DESCRIPTION

Stunning NORTH-facing home offering exceptional design, function, and versatility—featuring 5 bedrooms and a private office OR 4 bedrooms plus a large flex room with closet and French doors, along with a private office featuring glass French doors. Meticulously cared for with on-trend decorative enhancements throughout, this home shows like a model. A large kitchen island anchors the expansive family room, where oversized windows flood the space with natural light, creating an open and inviting atmosphere. The family room and dining area showcase custom molding details, adding warmth and elevated design. Plantation shutters in the bedrooms and electric shades in the family room and dining area provide both style and convenience. Situated on a 1-acre corner lot in highly sought-after Celina ISD, this one-story ranch delivers luxury living with a peaceful country feel. The split-bedroom layout offers privacy, with the primary suite tucked away on its own wing, featuring dual closets—one with a walk-through connection to the utility room for everyday ease. The flex room with custom built-ins offers endless possibilities for a media room, guest space, or second living area. A mudroom off the three-car garage creates the perfect drop zone for busy households. With abundant storage, versatile living spaces, and thoughtful design throughout, this home adapts to your needs today and in the future. Designed not just to look beautiful—but to live beautifully.
