## DESCRIPTION

Experience the epitome of modern sophistication in this breathtaking contemporary pool home which features two bedrooms & an office on the main level. The moment you enter you are embraced by a soaring foyer, adjacent is an elegant dining room capable of hosting large dinner parties, and completed by a built-in buffet. A sleek, contemporary wet bar serves as an inviting focal point to welcome guests. This, as every detail in the home, whispers of luxury, from the refined finishes to the thoughtful design, creating an unparalleled sanctuary. As you move into the living room, the very heart of this refined open-concept residence you are greeted by a rich bespoke wall of wood that infuses the space with a sense of intimacy and artistry. These elements harmonize effortlessly with crisp modern lines and a striking black marble fireplace. Beyond the wall of windows, the meticulously crafted pool, adorned with limestone, evokes a luxurious European escape. This tranquil oasis is extended by a pristine turf lawn, bordered by towering Savannah Holly trees and Junipers that impart a sense of timeless grandeur. Stepping into the house we enter the kitchen with its built-in refrigerator & Kitchen Aid appliances harmonizing seamlessly with custom cabinetry that exudes both modern design. The primary suites' oversized windows frame tranquil views of the pool and garden, while the spa-inspired bath, clad in stately marble, is a true retreat, featuring two vanities and walls of mirror. Each detail has been curated for an unparalleled sense of luxury and comfort. As we ascend the open staircase to the large loft we enter an exciting family room designed by Nikki Chu featuring contemporary built-in cabinetry. In addition to the game room we find two additional bedrooms and two additional full baths. The garage is a multi-functional hub for the golf enthusiast with its golf simulator. The epoxy floors are perfect for easy maintenance. This is Midway Hollow at its best!
