DESCRIPTION

Imagine a home that feels welcoming before you even step inside. Tucked at the end of one of the only cul-de-sacs in West, TX, is 421 Northridge Circle. This beautifully maintained 4 bedroom, 2.5 bath home with a 3-car garage and sprinkler system offers more than just 2,165sqft of space on approximately 0.43 acres. It offers a space to slow down, truly feel at home, and be part of a close knit neighborhood known for its sense of community and festive holiday traditions. From the moment you arrive, the curb appeal sets the tone with Crepe Myrtles, lush St. Augustine grass, and a front porch that feels made for morning coffee. Inside, you're welcomed with a functional layout and high ceilings. The living area offers space to read or host near the fireplace, and the flex space can easily be a second living area, formal dining area, playroom, or office. At the heart of the home, the kitchen is designed for cooking and gathering. An oversized island, breakfast nook, and pantry closet create a space where homemade meals, deep conversations, and sweet memories are shared. Conveniently located near the kitchen, you'll find the half bathroom and the laundry room with a sink and utility closet. The primary suite presents a peaceful place to unwind with natural light, two walk-in closets plus an additional linen closet, separate sinks, shower, and bathtub. Two secondary bedrooms are connected by a Jack and Jill bathroom, while the fourth bedroom provides flexibility for guests or an office. Step outside the backdoor and you'll find one of the home's most special features. The backyard opens to pasture and sunset views. Fully fenced with a combination of wood and pasture fencing, it's a space to relax at the end of the day, spend quality time with loved ones, enjoy Crepe Myrtles and peach trees, and soak up simple moments. With quick access to I-35, West ISD schools, and local dining and shopping, Northridge offers a beautiful balance of comfort, connection, and convenience.
