DESCRIPTION

Experience unparalleled luxury in this 5,033 sq. ft. contemporary estate built by HB Projects, meticulously crafted with 2x6 framing and fully encapsulated foam insulation for ultimate efficiency. The grand 20.5-ft entry sets a dramatic tone, leading into an expansive family room anchored by a sleek gas fireplace and 5-inch Grade A solid white oak floors. The chef's sanctuary features 3CM premium quartz, an oversized island, and a professional KitchenAid suite including a 48-inch built-in refrigerator and a 52-bottle wine chiller. Retreat to a primary suite defined by opulence, featuring a massive walk-in closet and a spa-like bath with a freestanding vessel tub. The second floor offers a private bar, perfect for entertaining before stepping out to the huge covered veranda. Outside, the summer kitchen with BBQ overlooks a lush yard secured by an 8' cedar privacy fence. Equipped with 6-camera security, a full sprinkler system, and dual Rheem tankless heaters, this home merges high-design with smart-home functionality.
