DESCRIPTION

Stunning custom home on a one-acre lot in the highly desirable Twin Creeks neighborhood. This 3-bedroom, 2.5-bath home features an open-concept living area with vaulted ceilings, a stone fireplace, and a wall of windows overlooking the covered patio and expansive backyard—offering beautiful sunrise and sunset views. Split floor plan with an expansive primary suite featuring a large walk-in closet, dual vanities, deep soaking tub, and walk-in shower. The main level includes a library and secondary living area, while the upper level offers a gym and flexible bonus space. Outdoor amenities include a large covered patio and private putting green. Additional features include an oversized garage with ample storage, roof replaced approximately 4 years ago, and extensive updates within the past two years including kitchen appliances (refrigerator, dishwasher, range, microwave), plumbing fixtures, light fixtures, door hardware, and carpet.
