DESCRIPTION

Prime commercial opportunity on the I 35 South service road just outside Gainesville city limits. This 21 acre tract offers exceptional highway visibility, easy on off access, and strong development potential. With approximately 21 acres of usable land, the property is well positioned for commercial, industrial, or mixed use projects needing high traffic exposure. Improvements include an older brick home (no value assigned), a double wide manufactured home, an 18 stall horse barn, utility barn, and a pond. Structures provide flexibility for interim use, but the true value is in the land, location, and frontage.
