DESCRIPTION

This recently renovated condo in the highly sought-after Knox Henderson area offers 2 bedrooms, 2 full baths, and 1 half bath in 2,049 square feet of thoughtfully designed living space. The first level welcomes you with a guest bedroom with ensuite bath and provides convenient access to the attached 2-car garage. Upstairs, the second level is bright and open, featuring an updated kitchen open to the dining area. The generous kitchen with crisp white cabinetry boasts a center island, gas cooktop and ample cabinet space. The light-filled living room with a fireplace is accented by beautiful wood floors. A convenient half bath completes the second level. The third level is dedicated to the expansive primary suite, complete with a sitting area. The beautifully renovated bathroom includes a soaking tub, large separate shower with marble tile, dual sinks and a walk-in closet. Full-size utility closet is conveniently located next to the primary suite. A hallway door opens to a private deck, offering a quiet outdoor retreat. Located near dining and shopping in the Knox Henderson area and just steps from the Katy Trail, this home offers a location that can't be beat! Crisp and clean, this home is ready for you to move right in!
