DESCRIPTION

Positioned in the heart of the DFW Metroplex, this exceptional 2.4-acre tract offers a rare opportunity to secure prime land in an established and highly accessible location. Surrounded by mature neighborhoods and ongoing growth, this property presents unmatched flexibility for a variety of development opportunities—whether you're envisioning a custom residential project, small-scale development, or a strategic long-term investment. Located within the highly regarded Hurst-Euless-Bedford (HEB) ISD, the property benefits from strong school appeal—an important driver for both end-users and future resale value. Its central location provides quick access to major highways including TX-183, SH 121, and Loop 820, placing you minutes from both Dallas and Fort Worth, DFW International Airport, and a wide range of shopping, dining, and employment hubs. With 2.4 acres of raw land, the canvas is wide open. The flat, usable terrain allows for flexible site planning and efficient development, while the surrounding area supports a range of potential uses. Opportunities like this—combining location, school district strength, and land versatility—are increasingly hard to find in the Mid-Cities. Bring your vision and capitalize on one of Hurst's most compelling land opportunities.
