DESCRIPTION

This stunning two-story home sits on a spacious lot backing to a serene creek, offering both privacy and natural beauty. Upon entry, you're welcomed by a grand custom iron door and soaring ceilings. The formal living and dining rooms are ideal for entertaining, while the inviting family room features a gas log fireplace and elegant built-ins. The updated kitchen boasts modern countertops, a generous pantry, and ample workspace. The oversized primary suite includes two walk-in closets and a beautifully updated en-suite bathroom with dual vanities, a soaking tub, and a separate shower. Also upstairs, you'll find two additional guest bedrooms with large closets and an updated hall bath, plus a versatile loft-style living area. A dedicated study downstairs could easily serve as a fourth bedroom. The backyard is perfect for gatherings, complete with a large patio, built-in grilling station, and a storage building. A brand-new Class IV roof was installed in 2024 for added peace of mind.
