DESCRIPTION

Welcome to 420 Overlook Drive, a private barndominium retreat on approximately 15 acres in Cleburne, offering space, privacy, and versatility just minutes from town. Set among mature trees, this property provides a setting that is increasingly hard to find. If you are looking for seclusion, room to explore, or a place to unwind, this property delivers a different experience than wide open pastureland. The home offers approximately 2,240 square feet with a functional 3 bedroom, 2 bathroom layout. Inside, you will find an open concept living area with soaring ceilings and a loft that overlooks the main space, creating a bright and inviting atmosphere. The kitchen is designed with ample cabinetry and workspace, making it practical for both daily living and entertaining. The split bedroom arrangement provides added privacy, with a spacious primary suite that includes dual vanities, a walk in shower, and a freestanding soaking tub. Outside, the land offers a mix of open areas and tree coverage, ideal for those who value privacy, recreation, or future customization. There is space for equipment, RV or boat parking, and the flexibility to tailor the property to your needs over time. A private well is already in place, along with access to a shared pond or tank. If you are looking for a move in ready home with more square footage, a 3 bedroom layout, and a private setting with character, this property stands apart. Conveniently located with easy access to Cleburne, Alvarado, and I 35.
