DESCRIPTION

BEAM with pride as you pull into the drive. Riverstone plan by First Texas Homes, your new address has 5 BIG bedrooms, no lie- Texas sized, 3.5 bathrooms, 3-car garage and over 3,700 sqft. Each bedroom is large enough to host a king-sized bed! You'll never have that worry or repeat of moving and spending much more the second time than THIS TIME. Over \$50,000 in upgrades at the time of build. Kick off your shoes and take a tour. Walking into the home and immediately to the right, there's a bedroom currently used as an office. Across the tile floors is the dining or game room. In-between the dining and kitchen is the butlers pantry and coffee bar along with a walk-in pantry to store enough food for all summer sleepovers! Continuing into the kitchen you'll notice an island that might have erupted and solidified with granite. Dual ovens and a gas cooktop allow for controlled temperature cooking so dinner is ready on time and delicious! The kitchen overlooks a breakfast nook and living room with vaulted ceilings that allow full natural light to bless the space! The primary bedroom is in the rear corner of the house for ultimate security and a private retreat to wind down from the day. There's a guest bath and mud area on the first floor as well. Walk up the spiral staircase and enter the second game room! This room could also be a classroom for homeschool, a playroom, a library with bookshelves for learning, or another living room. The connected room has no windows and serves as a media room for watching your favorite movies or sports! The current setup has an 8-person couch and a projector with COD for the fellas. 3 more primary sized bedrooms upstairs separated by a catwalk! One room has a king bed and the other two have queen beds for reference. Haslet Elementary, Worthington Middle School, and the pool are all walking distance from this house. You'll love Haslet and LeTara is a community that hosts activities! 4.99% rate available with approved credit
