DESCRIPTION

Rooftop views, huge backyard, minutes to Downtown Dallas urban living done right. This New Construction modern SFA (Single Family Attached) home offers nearly 2,600 sqft of thoughtfully designed living space and sits on the Santa Fe Trail just minutes from White Rock Lake, Lower Greenville, Lakewood, and Downtown. Built with premium materials and energy-efficient mechanical systems, this is a high-quality professionally designed home reflecting both style and long-term performance offered at \$749,000. The open-concept design features soaring ceilings, walls of natural light, and an oversized kitchen island, complemented by custom floor to ceiling cabinetry, European tile and fixtures, designer lighting, and a sleek fireplace. The primary suite offers two walk-in closets and a spa-inspired bath, while all bedrooms include en-suite baths for added comfort and flexibility. Outdoor living truly sets this home apart, with a large covered patio and an oversized backyard perfect for a pool, pets, or entertaining and a destination fire pit area for those Spring & Fall nights. Plus a private rooftop deck with Downtown Dallas skyline views. Energy-efficient windows, tankless water heater, modern appliances, and an oversized garage with EV charging station add everyday convenience, while a builder's warranty provides peace of mind.
