DESCRIPTION

Stunning American Legend 2 story home with high ceilings in family room to include 2 bedrooms downstairs plus study and 2 bedrooms up, 3 full baths, dining area, game room, media room, 2-car plus storage and oversized outdoor living area. This gorgeous 2-story design is truly built for the way you live featuring 4 bedrooms, 3 bathrooms, study and game room. As you enter the foyer, your attention will draw to the sight lines directly to the back of the home. A study, perfect for a home office or exercise room greets you as you enter. Adjacent to the study lies a private hallway leading to a secondary bedroom with a walk-in closet and access to a full-size bathroom. Enjoy spending time with family and friends in the spacious family room which offers a 2-story cathedral ceiling and views of the kitchen and dining area as well as the outdoor living space. The gourmet kitchen is a chef's dream and features a large center island, lots of counter space and large walk-in pantry. Ideally situated in the back of the home for maximum privacy, the main bedroom retreat boasts an abundance of windows for natural light, an oversized walk-in closet and an amazing en-suite bathroom offering dual vanities and a garden tub. On the second floor, you will find a sizable game room, two secondary bedrooms with walk-in closets and a full-size bathroom. A must see !!!
