## DESCRIPTION

What is love? Hosting family and friends in your oversized kitchen for birthdays and holiday celebrations? Taking in spectacular sunset views from your covered patio as they transform into magnificent, starry nights? Luxuriating in your soaker tub after a long day at work? However you define love, 455 Whispering Way offers it in droves. A lesson in subtle sophistication, this thoughtful, new construction beauty sits on three fourths of an acre. You become keenly aware of the home's wide, open spaces both inside and out from the moment you drive up. Soaring ceilings showcase the fireplace and catwalk when you step past the private study and into the great room. The kitchen, featuring a grand island with a workstation sink, a commercial range, a second oven, custom cabinetry, and an exceptionally large hidden pantry, is tailored for both those who need an everyday workhorse and for those who want a pretty space to entertain. With backyard access, a closet fit for those who enjoy the finer things, and a spa-like bathroom that screams, pamper yourself, the primary truly feels like a retreat. The first of three guest suites also sits on the first floor and is perfect for guests or multigenerational living. The downstairs half bath is also conveniently located in the guest wing. Upstairs, you'll find a gameroom with the home's second half bath along with a corridor off of an enclosed storage area that could easily double as a pocket library or children's study. Two ample secondary bedrooms sit on the other side of the catwalk and feature a jack-and-jill bathroom with each room having its own sink. The home is as functional as it is beautiful, with real hardwood floors, spray foam insulation, a tankless water heater, and a board on board fence. It offers exceptional storage space with a 3 car garage, multiple storage closets, and walk-in closets in all guest suites. So schedule a showing and discover all there is to love about this home.
