DESCRIPTION

New construction by Olivia Clarke Homes in The Heights at Uptown Celina! The Thompson is a beautifully designed two-story home offering 3,197 square feet of stylish and functional living. With 4 spacious bedrooms, 3 bathrooms, a 2-car garage, a game room, and a dedicated study, this home is built for families who love to live, work, and play in style. The open-concept main floor sets the stage for connection, with the living, dining, and kitchen areas flowing together effortlessly, perfect for lively gatherings or quiet nights at home. The chef-inspired kitchen features an oversized island, pot and pan drawers, a built-in trash drawer, soft-close doors and drawers, quartz countertops, and stainless steel appliances—combining beauty and functionality for everyday living and entertaining. The private study is ideal for those who work from home, offering a peaceful space with a beautiful view out the front windows. The home is set well back from the street and faces a large HOA-maintained green space, making the lot feel exceptionally spacious. The large front patio is the perfect place for a porch swing and visiting with friends. The laundry room is generously sized and offers plenty of space for an extra refrigerator or additional storage. Upstairs, the luxurious primary suite provides a spa-like escape with a spacious walk-in closet and is joined by a large game room and two additional bedrooms with two full bathrooms, perfect for kids or guests. One guest bedroom is conveniently located downstairs, offering privacy and flexibility. With a layout that balances privacy and togetherness, the Thompson is designed for dynamic lifestyles and unforgettable moments. Don't miss your chance to own this incredible home—schedule your showing today and experience The Heights lifestyle for yourself!
