DESCRIPTION

Welcome to this stunning mid-century modern retreat, perfectly situated on a quiet cul-de-sac atop a hill with breathtaking sunset views. This 3-bedroom, 2.5-bath home is filled with natural light and timeless character, offering both comfort and unique design. The home features custom cordless cellular shades, updated windows, and major exterior upgrades including Hardie board siding and a new roof (2021). Enjoy peace of mind with insulated storm doors and a hidden safe room that doubles as a tornado shelter. The spacious interior includes a large attic for additional storage, while the oversized 2-car garage is equipped with built-in cabinets and shelving for optimal organization. Step outside to your private backyard oasis, complete with an in-ground pool—perfect for relaxing or entertaining. A custom-built storage shed with ramp access and a doggy door adds convenience and functionality. Located in an established neighborhood with great energy, this home offers privacy, charm, and modern updates in a truly special setting
