## DESCRIPTION

Escape the city without sacrificing convenience! This fully remodeled 4-bedroom, 2-bathroom home sits on 2 beautiful acres, offering the perfect blend of wide-open space and modern updates. Inside, durable wood-look tile floors run throughout the entire home for easy maintenance and a seamless look. The heart of the home is the spacious open living area, where a wood-burning fireplace and a massive wall of windows frame peaceful views of the mature trees in back and bring in tons of natural light. The kitchen is ready for the home cook, featuring sleek granite countertops, crisp white cabinets, a walk-in pantry, and stainless steel appliances. The primary suite is a true standout, featuring a bright bedroom and a remodeled bath with an oversized shower. For ultimate convenience, the primary closet offers direct access to the laundry room! If you work from home, the fourth bedroom features French doors and a walk-in closet, making it an ideal office. Outside, the large covered patio is finished with tile and dual ceiling fans, creating a perfect spot to relax while looking out over the fenced backyard and the scenic wooded tree line. With a black chain-link enclosure for pets and kids, two storage sheds for tools, hobbies, or workshop - this move-in-ready property offers the room to breathe you've been looking for!
