## DESCRIPTION

Welcome to The Residence at 62 Main Street, Unit 200. This fully renovated 4,070-square-foot second-floor retreat commands the entire level of one of the most architecturally striking buildings in the city of Colleyville. Tuscan-inspired stonework, arched loggias, and ornamental iron balconies frame a streetscape that feels pulled from the Italian countryside, yet you are steps from the heart of Colleyville's Village, minutes from DFW International Airport, and zoned to the acclaimed Grapevine-Colleyville ISD. Inside, a designer kitchen anchored by a waterfall quartz island, luxury appliances, and a dedicated prep pantry flows into an entertainment-scaled living room with a fireplace and built-in wine bar. The primary suite is a private wing with its own fireplace, French doors opening to an arched balcony overlooking the Village, and a spa-caliber bath featuring a freestanding soaking tub and floor-to-ceiling marble shower with gold fixtures. Three additional en-suite bedrooms, full-size laundry with pet wash station, and a two-car attached garage complete this singular offering. Smart home integration includes in-ceiling speakers wired for Sonos, automated blinds, and biometric building entry. Individually zoned climate control provides precision comfort throughout. Elevator access throughout the building. HOA amenities include a resort-style Mediterranean pool and fully equipped fitness center. Resort living without the resort commute. Walk to live concerts in the town square, boutique dining, spas, shopping, and the library, all from your front door. This is lock-and-leave living at its most elevated. For those who know the world's greatest cities and are ready to bring that standard home.
