DESCRIPTION

Step into elegance with this stunning Welborn floor plan by Village Homes, meticulously crafted in 2014 for its original owners. Spanning 2,902 square feet, this architectural gem perfectly balances sophisticated design with everyday comfort. Nestled in an enviable location, the home overlooks a beautifully landscaped 1.5 acre open park, while the owners selected this premium lot specifically for the serene, oversized backyard. Inside, the home radiates warmth with rich dark hardwood flooring and an expansive, sun-drenched open floor plan. The gourmet kitchen is a true centerpiece, featuring gleaming granite countertops, high-end stainless appliances, and a massive island that invites gathering. This culinary haven flows seamlessly into the inviting living area, anchored by a cozy fireplace. The thoughtful layout includes a formal dining room for elegant entertaining, and a spacious upstairs game room ready for movie nights. Retreat to the first floor primary suite, a private sanctuary boasting an oversized walk-in shower, a deep soaker tub, and exquisite custom tile work. Practicality meets style with a spacious two-car garage and a dedicated mudroom entry the perfect drop zone for coats and shoes. With beautiful tile details throughout and premium views from every angle, this home is a rare find.
