DESCRIPTION

Welcome to this stunning, thoughtfully designed 5-bedroom custom Lakewood home, perfectly situated on an oversized lot with a sparkling pool and mature shade trees. Designed for both everyday living and effortless entertaining, the open floor plan flows seamlessly into a 400 SF outdoor covered living space complete with a built-in 36" grill, fridge, and ice chest. Enjoy the back patio in comfort year-round with the recently added retractable, remote-controlled shades that create a cool, bug-free environment while maintaining the open-air ambiance of the outdoors. The gorgeous kitchen features a large island and a hidden walk-in prep pantry, combining beauty and function. Off of the living area you will find an additional living area perfect for a playroom, office, or mahjong room. A private downstairs guest suite with ensuite bath offers the ideal setup for visitors or multigenerational living. Upstairs, you'll find the spacious primary suite, three additional bedrooms, laundry, and a versatile flex space. Additional highlights include a rare 3-car garage, oversized attic, smart home features, and abundant storage throughout. Enjoy walkability to Lakewood Country Club (currently undergoing exciting renovations) and convenient Lakewood Elementary bus pickup just steps away.
