Designer-renovated luxury condo delivering effortless lock-and-leave living with refined finishes and resort-style amenities. An airy great room anchors the home with wide-plank hardwoods, a dramatic book-matched stone fireplace, and a wall of French doors that open to a covered loggia framed by classic arches, ideal for morning coffee or sunset cocktails with tranquil neighborhood and lake views. The showpiece chef's kitchen pairs custom double-stacked cabinetry and brass hardware with striking quartzite countertops, a full-height stone backsplash, and a sculptural metal range hood. A professional gas range, built-in refrigerator, and an oversized waterfall island with seating make everyday cooking and entertaining a breeze. Nearby, an executive study features custom built-ins, designer lighting, and an acoustic ceiling treatment for a polished work-from-home setting. The serene primary suite showcases tailored wall paneling and a spa bath with dual vanities, a freestanding soaking tub, a large glass shower, and a separate water closet. A boutique-style walk-in closet is fully customized with LED-lit cabinetry and abundant storage. A private guest suite and an elegantly updated additional bath provide comfort for visitors. Throughout the residence you will find designer lighting, premium wallcoverings, updated hardware, and meticulous craftsmanship that create a turnkey, magazine-worthy home.
