DESCRIPTION

This brand-new, never-lived-in custom-built home is a phenomenal masterpiece, designed from the ground up with 205k in upgrades and cutting-edge smart home technology throughout. At the heart of the home is the chef's dream kitchen, featuring commercial-grade appliances, an oversized island, and an additional full prep kitchen equipped with a microwave, dishwasher, ample cabinetry, countertops, and dedicated connections for a fridge or gas range. A butler's pantry seamlessly connects to the elegant dining area, which boasts a built-in buffet with cabinets. The high-ceiling living room is filled with natural light from windows throughout, creating a bright, open atmosphere. The wraparound patio is wired and prepped for an outdoor kitchen, making it ideal for entertaining. The primary suite is a true retreat, offering double vanities, a jacuzzi tub, and an oversized shower. A downstairs bonus room with its own walk-in closet and oversized bathroom adds versatility for guests or multi-generational living. Upstairs, a massive game room and media room provide the ultimate entertainment space. Built-in surround sound runs throughout the entire home, ensuring an immersive experience in every room. Additional highlights include a large laundry room with a sink, cabinetry, countertops, a closet, and backyard access, a mudroom, and plenty of storage throughout. The home also features a 3.5-car garage and a whole-home water softener. Built with custom features and luxury upgrades, this one-of-a-kind home is move-in ready and waiting for its first owner!
