DESCRIPTION

Welcome to your private oasis in the coveted Estates of Russell Creek! This popular Huntington Home sits on a quiet, oversized cul-de-sac lot, offering nearly 3,500 square feet of sun-drenched living space. The heart of the home is the soaring family room with 20-foot ceilings and a cozy fireplace, flowing into an open kitchen featuring a large center island and a breakfast nook with views of the water. Recently replaced modern windows (2023) and classic plantation shutters, the entire home feels bright and airy. The layout is designed for flexibility, featuring a downstairs primary suite with bay windows overlooking the pool, plus a main-floor guest room that makes a perfect home office. Upstairs, you'll find a massive game room and spacious bedrooms with a Jack and Jill bath. Storage is a breeze with two attics and extra space in the garage and primary closet. Step outside to a backyard that truly feels like a resort. The centerpiece is a stunning Claffey-built saltwater pool and spa, complete with a stone waterfall, diving rock, and 9.5-foot deep end. Surrounded by professional landscaping, mature Live Oaks, and handcrafted limestone planters, the two deck areas are perfect for poolside entertaining. Enjoy an incredible lifestyle just a short walk (0.6 miles) from the 187-acre Russell Creek Park, the YMCA, and top-rated schools. This friendly, quiet neighborhood offers an optional HOA with tennis and pools, making it the perfect place to call home!
