DESCRIPTION

If you've been waiting for something special, you can stop scrolling. This is it. Tucked into coveted Mansion Park, this RENOVATED to perfection, no-HOA Turtle Creek corner townhome delivers nearly 4,000 square feet of timeless style, substance & just the right amount of sophistication. A private, gated, landscaped entry patio sets the tone. Inside, it only gets better. Soaring 10-foot ceilings, skylit floating staircase, a whisper quiet elevator to all four levels, four fireplaces & rich hardwood floors create a home that doesn't just show well, it shows off. The expansive living room, complete with wet bar, fireplace & 3 sets of French doors, opens to a turfed Zen garden that feels equal parts serene retreat & perfect party backdrop. The renovated chef's kitchen is ready for everything from quiet mornings to catered evenings, with a large quartz island, separate serving bar, premium appliances & seamless flow to dining & family spaces framed by treetop views through French doors. Upstairs, the primary suite boasts a fireplace, French doors, marble bath, oversized seamless shower, dual lighted vanities with hidden medicine cabinets & a custom California Closet that may ruin all others for you. A split guest suite & additional bedrooms offer flexibility for guests, work, gym, or whatever your lifestyle requires. The east-facing rooftop deck seals the deal. It's an entire outdoor living area complete with mobile grill kitchen, fireplace, retractable awning, half bath & panoramic skyline views. Whether it's cocktails at sunset or quiet mornings with coffee, it's your new favorite room in the house. With elevator access to all four levels, an epoxy-floored garage with EV & generator hook-ups, the high-quality, low-maintenance living seals the deal. Close proximity to the Katy Trail, Turtle Creek Park, Uptown, Knox District, Oak Lawn, Design District, American Airlines Center, Klyde Warren Park & yes, 215 steps to Starbucks. This is urban luxury at its most livable.
