DESCRIPTION

Positioned on a spacious corner lot in an established neighborhood, 3400 Palmtree Drive offers a rare combination of size, upgrades, and outdoor living that today's buyers actively search for. Built in 1996 and spanning approximately 3,101 square feet, this 5-bedroom, 3.5-bath residence delivers a flexible layout with two bedrooms conveniently located on the main level, ideal for a variety of living arrangements or work-from-home needs. The open-concept design connects the main living areas while maintaining defined spaces for both entertaining and everyday functionality. A well-appointed kitchen with island and walk-in pantry provides ample storage and prep space, complemented by generous cabinetry and natural light. The primary suite features a spacious bath with dual sinks, vanity seating area, and a relaxing jetted tub, creating a comfortable retreat within the home. Step outside to a private backyard oasis designed for year-round enjoyment, complete with a heated pool with a new pool motor that has a 1-year warranty, a spa, and a covered patio. Mature trees surrounding the property enhance privacy and create a lush, tranquil setting, while a nearby trail just steps away adds to the outdoor appeal. The oversized garage includes a Tesla charger, and the wide driveway allows for additional parking and convenience. Recent improvements include a brand-new Class 3 impact-resistant shingle roof with a transferable warranty, offering both durability and long-term value. Additional updates throughout the home contribute to a move-in-ready experience. Located with convenient access to major commuting routes including Highway 121 and Highway 75, this property combines comfort, location, and lifestyle in one compelling offering. Enjoy proximity to neighborhood green space, scenic walking paths, and a peaceful cul-de-sac setting that enhances everyday living while maintaining strong resale appeal in a sought-after market.
