DESCRIPTION

Enjoy incredible open-water living with 100 feet of shoreline and expansive, unobstructed lake views—truly a rare opportunity. Sunsets explode out over this deep water peninsula! Want year around boating and lake recreation? Look no further! This stylish and inviting home was completely gutted and recreated over the last few years and WOW! From the kitchen with commercial appliances to the warm wood tones and sleek neutral finishes to the spa like glass and tile baths, this one is magazine worthy! It is suited for both peaceful retreats or entertaining on a larger scale. The main level offers 3 bedrooms plus a compact built in bunk room, 3baths, and a spacious game room with additional 4 bunks built along one wall, perfect for overflow guests. Downstairs, a private 1-bedroom, 1-bath efficiency-style guest suite. Outdoors, a large covered lakeside deck creates the perfect setting to relax and take in stunning sunset views beneath a canopy of mature trees. The well established expanse of rear lawn is bare foot perfect! This property captures the essence of lakeside living—comfortable, versatile, and unforgettable. Furniture package is available via separate negotiation and barely used since purchase after remodel!
