DESCRIPTION

Tucked quietly on a peaceful cul-de-sac in the heart of Flower Mound, this beautifully updated 1-story home is where life slows down just enough for you to truly enjoy it. This is a home that has been deeply loved & thoughtfully improved. You're welcomed by warm, open spaces designed for both everyday living & unforgettable gatherings. The heart of the home is the stunning, fully updated kitchen, complete with a charming brick accent wall, expansive island, abundant counter space & soft under-cabinet lighting that creates the perfect glow for everything from busy school mornings to late-night conversations. It flows effortlessly into the main living area, making it easy to stay connected no matter where the day takes you. At the front of the home, a 2nd living space offers flexibility for your family's rhythm, whether it becomes a cozy reading room, a play space, or the perfect spot to host friends & holidays. With 3 or 4 bedrooms, this home adapts to your season of life. The current owners have created a 4th bedroom, but the space can easily transform into a home office, craft room, game room, or quiet retreat, whatever your family needs most right now. The primary suite is complete with a spa-like ensuite bath. Split secondary bedrooms provide comfort & privacy for everyone, creating a layout that truly works for growing families or multi-generational living. And then there's everything you don't immediately see, but absolutely feel: the care, the upgrades, the intention. From the insulated garage, to the tankless water heater (2024), fresh sod (2025), & fresh paint (2026), every detail has been considered so you can simply move in & start living. Step outside & imagine evenings under the Texas sky with a 220-volt outlet already in place for your future hot tub. Zoned to highly sought-after FM schools, this home offers more than just a place to live, it offers a lifestyle. A place where bikes ride a little slower, neighbors wave a little longer & memories are made every single day.
