DESCRIPTION

Sleek Designer Loft – Rare Corner Residence in Downtown Dallas. Discover one of downtown Dallas's most striking lofts—a coveted 5th-floor corner unit set within a beautifully preserved historic building. Thoughtfully reimagined as a designer's personal residence, every detail has been carefully curated for both style and comfort. Walls of windows flood the space with natural light, highlighting warm white oak hardwood floors with full soundproofing and soaring ceilings that create a sense of calm and privacy. The kitchen impresses with custom cabinetry, exotic quartzite countertops and backsplash, and statement lighting that elevates the entire space. Both bathrooms have been fully transformed with clean, modern finishes, illuminated mirrors, and a spa-inspired soaking tub, while Hunter Douglas window treatments and a custom closet system add refined, upscale touches—making this a rare turnkey opportunity to experience elevated downtown living.
