Judge Fite Company

3805 CASTLE AVENUE

WACO, TX 76710

\$1,250,000

4,757 sqft

5 beds

4 baths

DESCRIPTION

Rich in Classic Charm, this home abounds with luxury throughout. Positioned beneath a canopy of majestic, mature oak trees, this exquisite New Orleans style residence offers a rare blend of historic charm and refined sophistication. Set on a beautifully landscaped 0.6-acre double lot in the heart of Castle Heights, the home provides a serene, walkable lifestyle and is just moments from Waco favorites including Cameron Park, Baylor University, and Magnolia Market at the Silos. A welcoming foyer introduces the home's elegant interiors, where original hardwood floors, soaring ceilings, and expansive windows create a light-filled and inviting atmosphere. The formal living room, anchored by a charming fireplace, flows seamlessly into a glass-enclosed sun room—an ideal space to relax while overlooking the picturesque courtyard. Designed for both everyday comfort and effortless entertaining, the reimagined kitchen features a large central island, generous workspace, and a sunlit bay window that forms a warm and inviting casual dining area just opposite to the gracious formal dining room setting the stage for memorable gatherings and celebrations. Just beyond, a spacious den with brick tile flooring, custom built-ins, and a second fireplace offers a relaxed yet refined retreat. A private paneled study or library on the main level provides a quiet space for work or reflection. Upstairs, four well-appointed bedrooms include a luxurious primary suite with a beautifully updated bath, oversized closet, and access to a charming treetop balcony. Additional features include separate fifth bedroom with a private bath and its own entrance offers exceptional flexibility as a guest suite, studio, or office, a fully function separate work out room, a two-car attached garage, a porte-cochère for added convenience, and expansive outdoor space ideal for entertaining, recreation, or simply enjoying the peaceful surroundings. Please request the Updates List and Video.
