DESCRIPTION

Tucked inside the prestigious guard-gated community of Riverbend Estates, this exceptional home sits on a rare 2.658-acre greenbelt lot with no near neighbors and a large open space maintained by the city, offering the feel of even more acreage without the maintenance. Surrounded by tall, mature trees and a peaceful setting, this property blends privacy, luxury, and thoughtful design while offering a rare opportunity to enjoy acreage within city limits. Inside, rich hardwood floors, soaring ceilings, and an open layout create an inviting atmosphere. The expansive living room features a stunning stone fireplace and flows seamlessly into the kitchen, where recent renovations have transformed the space into a true showpiece. Taj Mahal quartzite countertops, upgraded backsplash, recently replaced tile flooring, double ovens, gas cooktop, oversized island, and wraparound countertop with seating create a sophisticated eat-in kitchen ideal for gathering. A wine cooler, sonic ice maker, and handmade cabinetry further elevate the space. The spacious primary suite has been beautifully updated with Taj Mahal quartzite, a remodeled tub and shower, and upgraded tile flooring, creating a relaxing retreat. This home offers five bedrooms, each with ensuite bathrooms, along with multiple living areas including a massive upstairs game room with built-in speakers. A large mudroom, oversized laundry room with space for a refrigerator, extensive storage, and a rare four-car garage add everyday convenience. Step outside to enjoy the covered patio with an outdoor fireplace and grill, overlooking the large backyard complete with an in-ground heated pool and spa combo. Located minutes from dining, shopping, and major highways including 820, 121, 183, and I-30. The property may be eligible for Birdville ISD via application or transfer; however, this is a third-party process. Neither the sellers, Bray Real Estate Group, nor listing agents guarantee approval by the school district.
