Our model plan, the "Benbrook," is situated on a deep lot with backyard privacy and features unique architectural details such as a raised study, high cathedral ceilings, a first-floor media room, and large bedrooms. Ample windows create a light, bright ambiance throughout, while nailed-down wood flooring on the stairs and in the main areas of the first floor adds warmth and elegance. A neutral, contemporary color palette complements any style, and the home includes an upgraded tech and lighting package, all within a boutique, hilly community with low HOA dues.
