DESCRIPTION

This immaculate 5-bedroom, 4-bath home built by First Texas Homes is perfectly situated on a private greenbelt lot in the highly desirable Preserve at Pecan Creek. With its west-facing orientation and thoughtfully designed layout, this home offers both elegance and functionality. Step inside to a dramatic two-story family room featuring a stunning floor-to-ceiling stone fireplace. The main level includes a formal dining room, spacious living room, and a private office that can easily serve as an optional 6th bedroom. The chef's kitchen is a true centerpiece, complete with a large island, butler's pantry, granite countertops, new stainless-steel appliances including a double oven, and a gas cooktop—perfect for entertaining and everyday living. Upstairs, you'll find four generously sized bedrooms each with expanded walk-in closets, along with a large game room and a separate media room with wet bar for the ultimate entertainment space. Recent upgrades provide peace of mind and modern comfort, including a new HVAC system, upgraded hardwood flooring on the main level, and new premium carpeting upstairs. Enjoy year-round outdoors living in the enclosed four-season sunroom and extended stamped concrete patio, all overlooking a serene greenbelt backdrop—offering privacy and beautiful views. This exceptional home combines luxury, space, and location—ready for you to move in and enjoy.
