DESCRIPTION

Located in the prestigious Argyle ISD, this beautifully designed 4-bedroom, 3.5-bath floor plan offers the perfect combination of functionality, comfort, and flexibility—ideal for both entertaining and multi-generational living. The thoughtful layout provides spacious living areas and a natural flow for gatherings, while durable flooring throughout enhances both style and practicality. The home sits on a generously sized lot with a large backyard offering plenty of room for a future pool, outdoor living space, or entertaining area. Enjoy energy efficiency with a solar system and batteries for reduced utility costs, backup capabilities for power outages, and spray foam insulation in the attic for added comfort year-round. The insulated garage with a mini-split heating and cooling system creates a versatile space perfect for a workshop, gym, hobby area, or additional climate-controlled storage. Ideally positioned with easy access into the community, the home is close to the elementary school, Adventure Park, community pool, and neighborhood amenities, making everyday living both convenient and enjoyable. This home combines location, efficiency, and a flexible floor plan designed to fit today's lifestyle.
