DESCRIPTION

Located in prestigious Argyle ISD, this beautifully designed 4-bedroom, 3.5-bath home offers a flexible open-concept floor plan ideal for entertaining, multi-generational living, or work-from-home lifestyles. Spacious living areas create a natural flow between the family room, kitchen, and gathering spaces, perfect for hosting family and guests. Situated on a generously sized lot with a large backyard, there is ample space for a future pool, outdoor kitchen, play space, or custom outdoor living area. Durable flooring throughout provides both modern style and low-maintenance functionality. Enjoy exceptional energy efficiency upgrades, including a solar panel system with battery backup, helping reduce utility costs and providing peace of mind during power outages, plus spray foam attic insulation for year-round comfort. The insulated garage with mini-split HVAC offers a versatile climate-controlled workspace ideal for a home gym, workshop, hobby room, or additional storage. Conveniently located near the elementary school, Adventure Park, community pool, walking trails, and neighborhood amenities, this home combines top-rated schools, energy efficiency, flexible living space, and prime community location—everything today's buyers are searching for.
