DESCRIPTION

Tucked into the boutique Court at Chapel Downs community near Midway Hollow, this is a thoughtfully designed retreat by the award-winning Michael Turner of Classic Urban Homes. The main floor primary suite, soaring ceilings, and wide-plank hardwoods set the tone from the moment you walk in, and the chef's kitchen with gas cooktop, expansive pantry, and oversized island makes everyday living feel like an event. Floor-to-ceiling windows fill the open living and dining areas with natural light. Outside, the property continues to surprise with a low-maintenance and turfed backyard designed for both relaxation and play. Whether you are a minimalist at heart or looking for a sleek canvas to make your own, this home offers a rare blend of high-end architectural detail and genuine warmth.
