## DESCRIPTION

Beautifully updated and renovated 4-bedroom home in Frisco's Plantation Resort golf course community. The double front doors lead into a spacious family room with engineered hardwood floors, a decorative fireplace, and large windows allowing plenty of natural light into the home. The kitchen has been updated with granite countertops, a pot filler over the gas cooktop, a Bosch dishwasher, a spacious island for preparing family dinners and entertaining. The spacious backyard is great for any family to enjoy, and the tree-lined streets are absolutely beautiful. The Primary bedroom is in the back of the home for privacy, with an ensuite bath including a custom vanity and a claw-footed bathtub. The home also has a dedicated office if you work from home. These Sellers have added extra insulation to the attic, custom cabinets in the laundry room, a solar roof vent, Hardie siding, and taken great care of this lovely home. Walk to the Frisco Farms golf course and newly renovated clubhouse for a special dinner or a round of golf. Feeds into Blue Ribbon award winning Curtsinger elementary school. The community is full of activities, including a fishing pond, a driving range, tennis courts, pickleball courts, a community pool, and parks.
