DESCRIPTION

Welcome to your dream country retreat—this custom-built 2,268 sq ft ranch-style home offers the perfect blend of comfort, functionality, and wide-open Texas living. Featuring 2 spacious bedrooms and 2 full bathrooms, the thoughtfully designed floor plan provides flexibility to easily add a third bedroom if desired. Inside, you'll find beautiful custom hickory cabinetry, adding warmth and character throughout the home. The sunroom is a true highlight, complete with custom shades—perfect for relaxing. This property is built for efficiency and durability with two AC units, a heat pump for heating, and 26-gauge R-panel metal roofing on both the home and shop. The impressive 40x50 spray foam insulated shop includes a 20x50 lean-to and is equipped with a 50-amp hookup—ideal for an RV, motorhome, or additional equipment. A convenient on-site dump station adds even more functionality for travel and outdoor living. A dedicated interior storage room offers versatility and could easily serve as a home office, with an additional loft space providing even more storage. The land is equally impressive, featuring a pipe-fenced entrance and cross-fenced acreage ready for a variety of agricultural uses. The front and back portions are planted in coastal grass, while the center section with scattered trees is perfect for grazing cattle. Enjoy the benefits of no city taxes and an existing ag exemption making this property as practical as it is beautiful. Whether you're looking for a working ranch, weekend getaway, or forever home, this one is ready to go.
