DESCRIPTION

Nestled beneath a beautiful canopy of mature trees in the heart of Northwood Hills, this exceptional single-story residence offers a rare blend of refined living and effortless comfort. Thoughtfully designed with a split-bedroom layout, the home provides both privacy and flexibility for today's lifestyle. The serene primary suite is a true retreat, featuring separate his-and-her vanity areas, dual walk-in closets, and access to a cedar-lined hall closet. A privately situated fourth bedroom with an updated bath with shower is ideal for guests or multigenerational living. At the center of the home, the chef's kitchen is designed for gathering, complete with an expansive island that opens seamlessly to the family room. The Family Room is anchored by a custom tile fireplace and vaulted beamed ceiling, complemented by rich wood flooring, plantation shutters, and integrated surround sound—creating an elevated yet comfortable atmosphere for both everyday living and entertaining. Walls of windows and three sets of French doors create a seamless connection to the outdoors, filling the home with natural light and framing picturesque views of the backyard and pool. The outdoor living experience is equally compelling, featuring a lush grassy area and an expansive covered patio designed for al fresco dining, entertaining, and generous grilling space. Surround sound extends outdoors, enhancing the ambiance for gatherings year-round. A true gardener's delight, this home captures the essence of Northwood Hills living—gracious, private, and effortlessly elegant.
