DESCRIPTION

Unique tudor inspired home in award winning Moss Haven Elementary. It begins in the kitchen. Thoughtfully re-imagined to include appliance caddy, more counter and cabinet space than you can imagine, pull out drawers galore, double oven, pull up bar seating for a minimum of four and quartz waterfall island countertops. HUGE living room with vaulted tray ceiling and wall of windows for soft natural light. Oversized den with closet and adjacent to full bath could easily double as 4th bedroom. Spacious primary bedroom and updated bathroom with enclosed tub and shower combo and walk in closet. Secondary guest rooms adjoined by a large jack-n-jill bath with double sinks. Ever seen a laundry room that excited you? This one will. Large wrap around yard with plenty of green space. This one checks all the boxes! Den can convert to 4th bedroom with ensuite bath VERY easy just ask me how! Would be an easy and not costly project to complete
