

2910 TWIN EAGLES DRIVE
CELINA, TX 75009

\$1,125,000

4,109 sqft

4 beds

4 baths

DESCRIPTION

Exceptional Drees Custom Homes residence in the highly sought-after Mustang Lakes master-planned community, showcasing quality craftsmanship, thoughtful design, and EXCEPTIONAL BACK PATIO. This 4-bedroom, 4-bath home features an open-concept layout with soaring vaulted ceilings and hand-scraped hardwood flooring throughout main living areas. The inviting living room is anchored by a striking floor-to-ceiling stone fireplace with custom cedar mantle, creating a warm focal point that flows seamlessly into the kitchen and dining areas, ideal for everyday living and entertaining. The kitchen overlooks the main living space and offers abundant storage, quality finishes, and functional design. The main level includes a private primary suite designed for comfort and relaxation, along with a secondary bedroom and full bath providing flexible living options. A dedicated office features custom built-ins and upgraded finishes for a refined workspace. Thoughtful upgrades throughout include designer lighting, enhanced millwork, smart features, and expanded storage solutions. Upstairs offers a versatile layout with a media room, game room, and additional living space suited for recreation, hobbies, or gatherings. Secondary bedrooms are well-appointed with custom closets and stylish details. The outdoor living area is a true retreat, highlighted by an approximately 980 sq ft cedar-covered patio with wood-beamed ceiling, ceiling fans, and integrated lighting. A custom stone outdoor kitchen includes premium grilling and cooking stations, granite countertops, and generous storage. A stone fireplace extends the living space outdoors, creating an inviting setting for relaxing or entertaining year-round. Additional highlights include an upgraded garage with epoxy flooring and workspace, enhanced exterior lighting, gated access, and professional landscaping. This home blends comfort and elevated design in a premier community setting. See attachment for upgrade details!
