DESCRIPTION

Wake up to panoramic Lake Winnsboro views in this beautifully designed waterfront retreat, where indoor comfort and outdoor living come together effortlessly. The modern kitchen—with updated appliances, a central island, and seamless flow into the open kitchen, living, and dining area—creates the perfect setting for gathering with family and friends. Just beyond, a spacious indoor patio wrapped in massive windows fills the home with natural light and frames the lake like a work of art. The generous primary suite is its own private escape, offering peaceful water views and direct sightlines to the showstopping two-tiered deck. Step outside and you'll find one of this property's biggest advantages: an expansive multi-level outdoor space built for grilling, dining, sunbathing, entertaining, or simply unwinding with the lake as your backdrop. Stairs on both sides lead down to the backyard and waterfront, where your lakeside boat dock invites you to cast a line, enjoy the breeze, and make the most of lakefront living.
