DESCRIPTION

Do you have horses, cows, chickens and goats or do you just long to have horses, cows, chickens and goats? Well if you have them or that is your passion, then this is the property for you! This thoughtfully designed barndominium floor plan is a fantastic find within minutes of everything in Abilene. Country living on 10+ acres, this 3BR-2.5BA home features an open-concept living and kitchen area with custom cabinetry & wood burning fireplace. Split bedroom floor plan with spacious primary suite & ensuite bath on the first floor and the secondary bedrooms upstairs allow plenty of privacy for everyone. There is an additional half bath downstairs along with a second living space in the loft upstairs. This home is functional and a complete package for your family to move right in. Ample storage with a large laundry room and pantry and a true safe room are some additional features that make this one special. Exterior features include a covered front porch overlooking a tank & acreage, plus a covered breezeway connecting the house to the barn for convenience for feeding or taking care of livestock. There is ample space for outdoor living in any way that you can dream up. Large covered carport in the breezeway provides room for numerous vehicles, equipment & trailers; there is also a corral and plenty of storage and workshop space in the barn. A large tac room and feed room also house an additional half bath for outdoor convenience. Four roll up doors in the barn area allow for all types of parking ease. There is also RV hookup and parking. The property is fenced for horses and has a play area along with corrals, pens and grazing pasture for all of your animals. Located minutes from Abilene, with convenient access to everything on the South side of town, this one is the one you cannot afford to wait to see! Schedule a showing today with your favorite Realtor to see all this property has to offer. With views, convenience, acreage and a great home, what's not to love?
