This beautiful single-story home with a pool is perfectly appointed in Mustang Lakes. With its open floorplan and the owner's attention to detail, you'll feel right at home! A 3-way split on the bedrooms with a full bath and walk-in closet for each one is well suited for guests or family living. With engineered wood flooring in many rooms, high ceilings, plantation shutters throughout, and special touches like arches and lighted kitchen cabinets, this is a property you must see! An office with double glass doors just off the foyer provides a private area to work. A stone fireplace anchors the living room and provides a view of the covered patio and the saltwater pool.
