DESCRIPTION

Welcome to true lakefront living on one of the most desirable stretches of the lake, where your home sits just 30–40 feet from the water's edge and every day feels like a getaway. This thoughtfully designed 0.25-acre property offers the rare combination of low-maintenance living and genuine shoreline access, giving you more time to enjoy the lake and less time worrying about upkeep. The gentle slope into the water leads to a soft, sandy bottom—perfect for swimming, floating, and letting the kids play while you relax on the patio with a full view of the shoreline. Whether it's a quiet morning coffee or a full weekend of family and friends, this home is built for ease, comfort, and connection. A long private driveway provides parking for 6–8 vehicles, making gatherings effortless. Inside, the 4-bedroom, 3-bath home features an open-concept living and kitchen area that keeps everyone together. The kitchen stands out with a double oven tucked beneath the cabinets and a 6-burner gas stove, offering the space and function needed to cook for a crowd. Large windows frame expansive lake views and fill the home with natural light from sunrise to sunset. And when July 4th arrives, you can enjoy the fireworks—including the legendary Hell's Gate show—right from your own yard, without the crowds or the hassle. If you're looking for a low-maintenance lakefront home that delivers comfort, convenience, and unforgettable views, this one offers the lifestyle you've been searching for.
