DESCRIPTION

Located in Crestwood, near the Trinity River and Trinity Trails, 616 Edgefield offers a layout that's straightforward, functional, and hard to find in 76107. The kitchen opens to the den, where a full stone fireplace defines the space and keeps everything connected. It's an easy, livable setup with room to update over time. At the front of the home, a large living area provides flexibility for both living and dining without compromise—something buyers continue to look for. With 3 bedrooms and 2.1 bathrooms, the home features solid mid-century bones, good natural light, and a footprint that makes sense. A two-car garage adds everyday practicality, while the location offers quick access to downtown Fort Worth, nearby parks, and the trail system.
