## DESCRIPTION

Award-winning design and meaningful updates come together in this luxury custom home by the builder, architect, and designers behind the Kaleidoscope of Homes Best of Show. Built in 1999, this contemporary residence blends high-end finishes with smart functionality, including custom cabinetry, select Cantoni furnishings, Thermador appliances, solid-core doors, Corian countertops, CAT6a wiring, smart switches, LED lighting, whole-home generator capability, tankless water heater, and APC battery backup readiness. Recent improvements add value and peace of mind, including new windows where it counts, roof, gutters, fence, smart plugs, new carpet in the living room and primary closet, and a landscape refresh in 2026, plus updated LED light fixtures, a wall-mounted garage door opener in 2025, and APC battery backup for refrigerators in 2024. An 84-bottle wine refrigerator and thoughtfully designed living spaces make everyday living and entertaining feel effortless. Located in sought-after Thornbridge Estates and zoned to Keller ISD, with Liberty Elementary, Bear Creek Intermediate, and Keller High, this home also offers convenient access to TX-26, Hwy 114, Hwy 121, and Loop 820 for easy commutes to Colleyville, Southlake, Grapevine, Fort Worth, and DFW Airport. Near Medical City North Hills and close to shopping, dining, and daily conveniences, the location is as compelling as the home itself.
