DESCRIPTION

Discover your own woodsy paradise in this 3,500+ sq ft creek-side retreat, where elegant design meets homey comfort, built for making memories. Positioned directly across from the 7th hole of Sherrill Park golf course, the home welcomes you with manicured landscaping and beautiful forest teal front door. Inside, rich hardwood floors and soaring vaulted ceilings lead you into a spacious living room centered around a beautiful floor-to-ceiling fireplace. The 2023 kitchen update echoes the natural beauty of the creek-side setting, pairing deep green tile backsplash with warm wood cabinetry and earthy hexagonal floor tile. This culinary powerhouse is built for the serious chef, featuring custom quartzite counters, double ovens, and an induction cooktop. With a central island and butler's pantry, the space opens seamlessly to the breakfast area and formal dining. The study offers a quiet sanctuary and a peaceful view of the backyard. Upstairs, the primary suite serves as a true escape. Abundant light sweeps the room as it opens onto a private balcony overlooking the pool & woods where you can enjoy your coffee to the sound of birdsong in the trees. The ensuite is a dedicated space for unwinding, complete with a jetted tub and double sink vanities. Additional bedrooms offer great flexibility with both ensuite and Jack-and-Jill bathroom access. The backyard is the home's crowning jewel—a serene oasis where a two-tiered deck and mature shade trees wrap the pool in privacy. Entertaining is effortless under the covered patio, which offers sweeping views of the woodsy retreat and the golf course beyond. Richardson's vibrant City-Line development is just minutes away—putting Whole Foods and an array of dining at your fingertips. For the outdoor enthusiast, Spring Creek Nature Area offers over 100 acres of trails to explore right nearby. With its unique placement on the creek, rare golf course access, and proximity to the city's best amenities, this home is truly a rare gem.
