DESCRIPTION

Never before on the market in highly sought-after Lovejoy ISD, this meticulously maintained one-owner estate offers over an acre of privacy along a quiet cul-de-sac street. Thoughtfully designed for both everyday living and elevated entertaining, the home features multiple living areas, a formal dining room, a private first-floor office, and a versatile flex room just off the kitchen—ideal for a playroom, workout room, or an additional office space. The primary suite is conveniently located on the main level and offers serene views of the beautifully landscaped backyard, creating a peaceful and private retreat. Upstairs, three additional bedrooms are complemented by a spacious game room and a dedicated media room. A standout feature is the walk-in, temperature-controlled storage room with custom built-ins, which leads to a walk-in attic with extensive shelving throughout—providing exceptional organization and functionality rarely found. Outdoor living is equally impressive, with an expansive covered patio, fire pit, and mature landscaping that create a warm and inviting setting for entertaining or unwinding. The generous lot allows ample space to further enhance the property with a pool or additional outdoor amenities, offering endless potential to tailor the space to your vision. Notable upgrades include a whole-home generator, automatic shades for added comfort and efficiency, and a tornado shelter located in the garage for peace of mind. A fully equipped detached shop with electricity, water, and AC provides incredible flexibility for a workshop, hobby space, or additional storage, with expansive parking available behind the workshop. Immaculate and move-in ready, this is a rare opportunity to own a property of this caliber, offering land, privacy, and versatility in one of the area's most desirable communities.
