## DESCRIPTION

Settled at the end of a quiet cul-de-sac in the established Aledo Hills community, 106 Goldmine Court offers something increasingly rare in North Texas — genuine peace and privacy, with wide-open pasture views and a pond as your backyard horizon. This single-story, 3-bedroom, 2-bath home sits on a full acre and has been systematically upgraded from the ground up. A new roof with a transferable 5-year warranty and a foundation reinforced with 49 piers backed by a 40-year warranty mean the structural story here is as solid as it gets. The water system is equally considered: reverse osmosis, a newer whole-home filtration system, a water softener, and a pressure tank deliver clean, conditioned water at every tap. Inside, soaring ceilings open the living spaces and tile and engineered wood flooring carry throughout. The kitchen anchors the home with granite countertops, while both bathrooms have been fully remodeled — the primary suite elevated to a spa-inspired retreat with dual vanities and a custom walk-in closet. Every update has been made with longevity in mind. Outside, the 1-acre lot unfolds to a large, private backyard with no rear neighbors — just open land, a pond view, and the quiet that Aledo Hill residents come here for. A storage shed keeps the property functional without compromising the landscape. Country living that doesn't ask you to sacrifice convenience — Weatherford and Downtown Fort Worth are both within easy reach, and the property sits squarely within Aledo ISD, zoned to Stuard Elementary, Aledo Middle, and Aledo High School.
