DESCRIPTION

This beautifully maintained 3,722 sq ft home offers 5 bedrooms, 3.5 baths, 2 dining spaces, a private study, and a spacious media room, all set on a landscaped lot with a true backyard oasis featuring a pool perfect for entertaining and relaxing. The gourmet kitchen includes a center island, solid wood cabinetry, granite countertops, and a tile backsplash, opening to an oversized living area with an Austin stone fireplace and views of the backyard. The first-floor primary suite offers privacy and comfort with a well-appointed ensuite bath and walk-in closet, while rich wood flooring runs throughout the entry, formal living and dining, main living area, and primary suite. Upstairs features four additional bedrooms, two full bathrooms, a game room, and a dedicated media room, and the home is complete with a 2-car garage.
